Baker Jacob

look out

Never write about this man without
first consulting correspondence locked
up in Red War Section in cupboard over 8 drawers

Many people throughout U.S. claim that
they are entitled to land on which City of Philadelphia
is built on account of services of a Jacob Baker.
Some say he was in Red. some in War 1812.

Of course it is absurd, as U.S. could only give
unappropriated land, and Phila was settled in 1682.

See Rev. Neg files also.

And consult me before writing as
this Bureau & Land Office have had no end of
trouble about this.
